**PROFILE**

Hi, I'm 23 years. I study in IT area I know  
Phyton OOp and basic C++ programming  
languages. I am experienced as a technician. I have  
experience with Arduino IDE and LEGO  
Mindstorms. I'm interested in Startups. It  
was my 2nd year in University. From 2017-  
2019 I served in the army. I also participated  
in "Tumo Summer Champ 2016 "as a student  
and I did a successful final exam presentation  
about robotics.
